

Crusades: The First Crusade Timeline

Use the readings from the Civilization, War & Revolution website to fill in the boxes of the timeline below. I will provide a title or brief description of what happened and you answer the when, who and where. I would like you to get the exact date and exact location. To do this use Google or the course readings. Note: just write "Crusaders" in the who column unless you find a specific leader mentioned.

Crusades: Introduction		Christian vs. Christian		Find on the Internet		Overview	
Battle of Manzikert	Byzantines Send Ambassadors to Urban II	Council of Clermont Called	Crusaders Arrive in Constantinople	Crusaders Cross the Bosphorus
