

# Hundred Years' War Timeline

Use the readings from the Civilization, War & Revolution website to fill in the boxes of the timeline below. I will provide a title or brief description of what happened and you answer the when, who and where. I have taken the liberty to divide the war into its four phases. You should try to get exact dates for battles (even if the information isn't included directly on the history website). Use Google to do this.

Origin of the Conflict		France Without a King	Edwardian War (1338 to 1360)	
<b>Battle of Hastings</b>	<b>Kings of England is a vassal to the King of France</b>	<b>Charles IV of France dies leaving no male heir</b>	<b>Edward III of England Invades France</b>	<b>The Battle of Crecy</b>
