

Assignment 5: Oil Pastel Assignment 2: Expressive Portraiture

Materials Needed:

- Oil pastels
- Drawing paper or canvas

Instructions:

Objective: Create an expressive portrait using oil pastels, emphasizing bold strokes and color choices.

Steps:

1. **Select a Subject:** Choose a person or yourself as the subject for your expressive portrait. Focus on capturing emotions and personality rather than achieving strict realism.
2. **Bold Strokes:** Use bold and deliberate strokes to outline facial features and convey the essence of your subject. Experiment with different mark-making techniques to create texture and interest.
3. **Vibrant Colors:** Explore a vivid color palette to express emotions. Let your color choices reflect the mood of the portrait, using warm tones for passion or cool tones for serenity.
4. **Abstract Elements:** Introduce abstract elements to your portrait. This could include background patterns, imaginative accessories, or symbolic elements that contribute to the overall narrative.
5. **Reflection:** Reflect on the expressive qualities achieved through bold strokes and vibrant colors. Consider how the use of oil pastels allowed you to convey emotions and individuality in your portrait.
