

Assignment 6: Oil Pastel Assignment 3: Still Life with Texture

Materials Needed:

- Oil pastels
- Drawing paper or canvas
- Objects for still life arrangement

Instructions:

Objective: Create a still life composition with a focus on capturing textures using oil pastels.

Steps:

1. **Select Objects:** Gather a variety of objects with different textures for your still life arrangement. This could include fabric, fruits, glass, or any items with distinct tactile qualities.
2. **Composition:** Arrange the objects in an interesting and visually appealing composition. Pay attention to the interplay of light and shadow on the different surfaces.
3. **Texture Representation:** Use oil pastels to represent the various textures in your still life. Experiment with different strokes and layering to capture the softness of fabrics, the smoothness of glass, or the roughness of surfaces.
4. **Color Harmony:** Create a cohesive color palette that ties together the different elements in your still life. Consider how color enhances the perception of texture.
5. **Reflection:** Reflect on the use of oil pastels in capturing the diverse textures of your still life. Consider how the medium allowed you to convey the tactile qualities of each object in your composition.
